- All teachers must participate in the New Teacher Evaluation Instrument training
- A SEA System Proposal must be completed for all professional development opportunities (proposals are completed online at www.ashe.k12.nc.us). A listing of district activity opportunities are listed here as well.
- Visit www.nwresa.org for regional staff development opportunities.
- Visit www.ncpublicschools.org/distancelearning/professional/usdlc.html and www.learnnc.org/courses for online staff development opportunities that are specifically designed for teachers in North Carolina.
